Winter Term 2026 Course Descriptions

STUDY ABROAD

Puerto Rico: Expressions of Leadership – Identity Nexus

Winter course, Spring Break travel. Student applications are due November 1. Need more information? Email: SCPSTravels@depaul.edu

This course examines leadership theories and models to prepare students with the tools to analyze leadership effectiveness in real-world environments. Students will explore how cultural rules of engagement shape communication strategies and influence leadership impact across diverse professional and community settings. A central focus of the travel component of the course is leadership's connection to cultural identity, historical legacies, and socio-political realities. Through experiential learning, students will assess how Puerto Rican leaders emerge and adapt, leveraging resilience, community organization, and advocacy to drive change. The course also integrates a leadership-identity communication component, exploring how leaders in Puerto Rico apply influence and decision-making strategies across public, corporate, and grassroots sectors.

You might qualify for a travel fee scholarship. Simply submit FAFSA at studentaid.gov and submit the General and SCPS applications on Scholarship Connect at depaul.academicworks.com.

DOMESTIC TRAVEL – Spring Term 2026 (enrollment begins in February 2026)

Experiential Learning Practicum – Topic: The Wisdom and Power of Horses – Online Hybrid Spring Term 2026 (enrollment begins in February 2026) – Day Retreat – May 16, 2026 & fee: \$100

The lives and destinies of humans and horses have been intricately interwoven since the beginning of history. In fact, horses are credited with being the species that most-revolutionized human culture. Horses have followed us onto the battlefield and carried us on life's journey for six-thousand years. Now that we no longer utilize these magnificent creatures as our 'beasts of burden', do horses have another destiny with regard to humankind? Currently, horses are partnering with people in vast ways, from the treatment of physical disabilities such as MS to helping combat veterans with PTSD. This course explores the ways in which horses can help over civilized people connect with the wisdom and rhythms of the natural world and the role that horses (and other animals) play in human health and healing. Utilizing readings, films, instructor presentations, as preparation, the course highlight will be a day-long experiential learning retreat working with horses. Students will have a powerful, unique opportunity to explore ways in which horses facilitate healing, our connection to our instincts (and the

natural world) and expand non-verbal awareness. No prior experience is necessary. **Retreat Experience & cost: May 16, 2026 - \$100.** The highlight of this course is a day-long retreat with the instructor in southeast Wisconsin – just over the Illinois border about 1 hour from Chicago. The retreat will focus on connecting nature and the horses with a variety of activities throughout the day. Continental breakfast, refreshments and lunch are provided.

Mindfulness Retreat – Spring Term 2026 – Travel May 2026 (enrollment begins in February 2026). Online Hybrid. Zoom Synchronous sessions Thursdays 4/2/26, 4/23/26, and 5/7/26 from 6- 8 pm. Retreat at Starved Rock State Park in Utica, IL – May 21-24th, 2026

Mindfulness meditation is a popular practice that can help build our attention and reduce our reactivity to life stressors. It is widely studied by neuroscientists, psychologists, philosophers, and others interested in a contemporary, secular approach to meditation. This course will provide students with both academic knowledge and first-hand experiential understanding of mindfulness meditation. Students will focus on developing personal and professional skills through reflection and engagement with course content. It provides students with a deep understanding of mindfulness meditation, its various techniques and its benefits.

This online-offsite hybrid course is a four-credit hour class and includes an in-person four-day mindfulness meditation retreat at Starved Rock State Park in Utica, IL – **May 21-24th, 2026**. In addition to the class's regular tuition, **students pay a \$775 fee** that covers three nights of housing at Starved Rock Lodge and two group meals.

You might qualify for a travel fee scholarship. Simply submit FAFSA at studentaid.gov and submit the General and SCPS applications on Scholarship Connect at depaul.academicworks.com.
